**CONDITIONS OF WORK:** Each bidder must inform himself fully of the conditions relating to the demolition. Failure to do so will not relieve a successful bidder of his obligation to furnish all contract documents and to complete the demolition as set forth in his bid. Insofar as possible, the Contractor, in the carrying out of his work, must employ such methods or means as will not cause any interruption of, or interference with, the activities of any other person.

There will be no walk-through for the property, scheduled or otherwise. The bids must include the cost of an asbestos report and the cost of asbestos abatement.

The Contractor shall keep himself fully informed and comply with all existing and future laws, ordinances and regulations of the Federal, State and Municipal Governments in any manner affecting his employees, or the conduct of the work or the materials used or employed in the work.

**PREPARATION OF BID:** Bids must be submitted on the prescribed form. All spaces for bid prices must be filled in with ink, using both words and figures.

(If forwarded by mail, the sealed envelope containing the proposal and marked as directed above, **must be enclosed in another envelope**, addressed as specified herein, preferably by registered mail).

**PRICE BID:** The price shall be stated in both words and figures and all bids may be considered informal which contain items not specified in the form of bids. In case of a discrepancy between the words and figures, the words shall govern.

**RIGHT TO ACCEPT OR REJECT BIDS:** The Director of Planning and Community Development may consider informal any bid not prepared in accordance with the provisions hereof and may waive any

informalities in or reject part or all of any and all bids. **Any bid received after the time and date specified will not be considered.**

**DISQUALIFICATION OF BIDDERS:** More than one proposal from an individual, a firm or partnership, a corporation or an association under the same names, will not be considered. Reasonable ground for believing that any bidder is interested in more than one proposal for the contemplated work will cause the rejection of all proposals in which such bidder is interested. Any and all proposals will be rejected if there is reason for believing that collusion exists among the bidders and all participants in such collusion will not be considered in future proposals for the same work. Proposals in which the prices obviously are unbalanced may be rejected.

**BID SECURITY:** Each bid must be accompanied by the Bid Bond or certified treasurers or cashier's check of the bidder in amount of 10% of the amount bid. Such bonds or checks will be returned to all except the three lowest formal bidders within fifteen (15) days after the formal opening of bids and the remaining checks will be returned promptly after full execution of the contract, or if no contract has been executed, within sixty (60) days after the date of the opening of bids upon demand of the bidder at anytime thereafter, so long as he has not been notified of the acceptance of his bid.

**COMMENCEMENT & COMPLETION OF WORK:** The contractor shall commence work under this contract within ten (10) days after the execution of the contract or on the date specified in the notice from the owner to commence work.
